Acceptable Use Policy

The rules that keep Lacspace services safe and fair for everyone — what you can and cannot do, and how we enforce it.

Version v1.0 · Effective 25 July 2026 · Updated 25 July 2026 · 11 sections · 22 clauses

Document ref. LAC-LEGAL-ACCEPTABLE-USE-V1.0

Published by Lacspace Corporation Pvt. Ltd. — registered in India (CIN U46511DL2025PTC079972) and Nepal (Reg. No. 377566/82/83).

AT A GLANCE

A plain-language summary — the full text below is what legally applies.

- Use the Services lawfully, ethically, and for their intended purpose.
- No hacking, scraping at scale, spam, or reverse-engineering.
- No unlawful, exploitative, or deceptive content or AI misuse.
- We may suspend or terminate for violations — report abuse to abuse@lacspace.com.

1. Purpose & Scope

1.1 This Acceptable Use Policy ("AUP") sets the rules for using all **Lacspace** websites, apps, APIs, and services (the "Services"). It protects our users, our platform, and the public. It supplements our Terms of Use and License & Code of Conduct; by using the Services you agree to follow it.

2. Your Responsibilities

2.1 You are responsible for your use of the Services, for anyone you allow to use them, and for content you submit. You must use the Services lawfully, ethically, and only for their intended purpose, and you must have the rights and consents needed for any data you process.

3. Prohibited Content

- Unlawful, infringing, defamatory, obscene, or fraudulent content.
- Content that harasses, threatens, or promotes hatred or violence against people or groups.
- Child sexual abuse material or any content that exploits or endangers minors.
- Non-consensual intimate imagery or content that violates privacy.
- Malware, exploits, or content designed to harm systems or users.

4. Prohibited Activities

- **Reverse-engineering** , decompiling, or reconstructing our software, models, or algorithms.
- Reselling, sublicensing, or redistributing the Services without authorisation.
- Building or benchmarking a competing product or model using the Services.
- Impersonation, fraud, deceptive practices, or manipulation of metrics and reviews.
- Using the Services for unlawful, adult-exploitative, or coordinated political-manipulation purposes.

5. Security Violations

- Attempting to gain unauthorised access to any system, account, or data.
- Probing, scanning, or testing vulnerabilities without our written authorisation (see our Responsible Disclosure policy).
- Circumventing authentication, rate limits, or security controls.
- Interfering with or intercepting traffic, or forging headers or identifiers.

6. Network & Resource Abuse

6.1 Do not overload, disrupt, or degrade the Services or their infrastructure; do not use automated means to access the Services beyond published rate limits; and do not scrape or harvest data at scale without our written permission. We may throttle or suspend usage that threatens platform stability.

7. AI Misuse

7.1 You must not use our AI features to generate unlawful content or deceptive deepfakes, to enable unlawful surveillance or profiling, to provide unsupervised professional advice where a qualified human is required, or to circumvent safety systems or extract our models. Full AI terms are in the License Agreement.

8. Spam & Communications Abuse

8.1 Do not use the Services to send unsolicited bulk or commercial messages, phishing, or deceptive communications, or to harvest contact details for such purposes. Messaging features must comply with applicable anti-spam and consent laws.

9. Reporting Violations

9.1 Report suspected AUP violations to abuse@lacspace.com and security issues to security@lacspace.com . We investigate reports and act proportionately.

10. Enforcement & Consequences

10.1 We may investigate suspected violations and take action including warning, content removal, rate limiting, suspension, or termination, and we may cooperate with law enforcement. Where feasible we act proportionately, but we may act immediately where use poses a security, safety, or legal threat. Termination for AUP breach may occur without refund.

11. Changes to This Policy

11.1 We may update this AUP to address new risks and technologies. Material changes will be communicated by reasonable means, and continued use after the effective date constitutes acceptance.
